

THE HEART OF SWEDEN GEOTOUR

START YOUR ADVENTURE

- Write down the code for each cache in the appropriate box.
- The required caches at the different levels are indicated with different colours. Note that at the Bronze level for GeoTourSwe, you must choose 10 additional caches from the other two higher levels.

At Silver level, in addition to the required Bronze and Silver level GeoTourSwe caches, you must log 10 Gold level GeoTourSwe caches of your choosing.

Register your codes to get a free geocoin: www.theheartofsweden.com/geotour/passport

- The camera symbol indicates a photo requirement, which must be sent to us. Upload the image with your cache log. Read more on our website.
